EXPERIENCE

Freelance Graphic Designer — Shiva Media

March 2026 – Present

Hyderabad, Telangana

- Design social media campaigns, promotional creatives, branding materials, brochures, flyers, digital advertisements, and marketing assets for clients across education, hospitality, retail, and service industries.
- Develop brand identities, logo concepts, and marketing collateral aligned with each client's objectives and target audience.
- Collaborate directly with clients to understand business goals and translate ideas into visually compelling communication.
- Manage multiple design projects simultaneously while maintaining quality, consistency, and on-time delivery.
- Ensure consistent branding across social media platforms, marketing campaigns, and promotional materials.

Graphic Designer — Zithara Technologies Pvt. Ltd.

January 2025 – February 2026

AI CRM SaaS Product Company | Hyderabad, Telangana

- Designed and delivered 50+ marketing assets, including brochures, product one-pagers, sales collateral, email campaigns, pitch decks, event branding, and social media creatives.
- Collaborated with Product, Marketing, and Sales teams to translate AI and CRM concepts into clear, engaging, and visually impactful marketing materials.
- Maintained brand consistency across digital campaigns, advertisements, presentations, events, and internal communications.
- Improved creative efficiency by integrating AI-powered design tools into the design process, enabling faster concept development and campaign execution.

Graphic Design Trainee — Tutorac Academy

July 2024 – December 2024

Hyderabad, Telangana

- Completed an intensive six-month, industry-focused Graphic Design training program built on real-world client-style projects.
- Designed social media creatives, advertising materials, banners, posters, UI mockups, and branding concepts.
- Built strong expertise in typography, branding, layout design, visual hierarchy, composition, and marketing communication.
